Dear Sir:

Three copies of the above numbered permit application, including the required State certification or written communication, is inclosed for review.

Please advise us within 10 days if, in your opinion, the application is not complete. If no response is received, a public notice will be issued. In addition, please advise us whether the proposed discharge or deposit may affect the quality of waters of another State; and provide us the 7 items of information applicable to water quality standards in accordance with 33 CFR 209.131. The 30 and 45 day periods provided for in paragraph (i) (3) of the regulations will both commence 10 days after the date of this letter.

Sincerely yours,

BARD O. GAGE
Chief, Discharge Section
